NOVICE OR INEXPERIENCED AUCTION BUYERS

- **Listen Carefully!** When groups of items or like items are offered, the auctioneer will specify the terms prior to the sale.
- **Watch out for sets of chairs, glasses, dishes, etc.** Quite often items are sold by the piece, times your bid! For instance a set of chairs offered has six chairs in the set. That set will be sold by the piece, times 6. (You bid \$50 times 6 = \$300.) You are not spending \$50 but \$300!
- **Pay attention!** You are obligated to pay for that purchase even though *you may not have heard or thought you understood!* **What the auctioneer announces stands.** We want you to have an enjoyable experience with no disappointments.
